

Fagen Air Museum

We were fortunate to not only go once, but twice to the Fagen Air Museum in Granite Falls. Ron and Diane Fagen established the museum to honor his father Ron, who is a World War II veteran. The museum is located at the Granite Falls Airport and houses many World War II planes, vehicles and memorabilia. Most of the planes that are displayed are flown in an airshow every summer. The D-Day exhibit even features real sand from Normandy beach and bronze statues in the likeness of the real soldiers. It is truly a sight to see, and a wonderful way to honor all of our servicemen and women who have sacrificed so much for our freedom.

September Birthdays

September is a popular month for birthdays! We had 10 all together. On three days, we had a double party with two residents celebrating on the same day!! Verlyn Kling was here to entertain us with his with his lively music and guitar playing. The kitchen made a delicious banana split dessert, which hit the spot!!

Gabby the Goat

What a surprise to see!! A goat on a leash! Gabby, a pygmy goat, owned by Shelly Weiberg came to visit. Gabby loved all of the attention and her favorite vanilla wafer snacks. Thanks Shelly for sharing your animals with us.

Ramsey Buddies

The Ramsey Buddies are back! Two classes (Mrs. Groothuis and Mrs. Klaassen) of 1st, 2nd, and 3rd graders from Ramsey Elementary School visit once a month. The students are paired with a resident which is their buddy for the whole school year! The visits consist of the students reading books aloud, followed by an educational group activity. This month, it was a “Getting to Know You” poster. The residents helped the students fill out the poster with fun facts about themselves. We have had the buddy program for many years at Luther Haven and has built many lasting friendships through the years. A couple weeks ago, Rosemary P. received a hand picked bouquet of flowers from her past buddy Gwyn. Thanks to all of the teachers and administration of the Montevideo schools to make the Ramsey Buddies possible.
